## HAKKIMIZDA

Kurucumuz 1993 yılında İstanbul Bayrampaşa' da 150 m<sup>2</sup>'lik bir alanda Eral Makine'yi kurarak firmamızın temellerini atmıştır. "Kalite, yenilik ve güven" ilkesiyle bilgi ve becerilerini kullanarak plastik extruder makine imalatının yanı sıra PROPLAS Profil Sistemleri'ni kurarak plastik sektörüne girmiştir.

Gelişen zaman içerisinde, hızlı, tempolu, sistemli ve deneyimli personeliyle birlikte çalışarak yıllık üretimde her yıl daha yüksek miktar, daha fazla kalite, daha çok ürün çeşidine Ar-Ge çalışmalarına önem vererek ulaşmıştır.

PROPLAS çalışmalarına Güngören' de bulunan toplam 4.000 m<sup>2</sup> lik kapalı kendi alanındaki kalıphane departmanı, pvc ve metal kaplama departmanı, enjeksiyon baskı departmanındaki üstün teknolojisiyle yükselmeye devam etmektedir. PROPLAS yaptığı Ar-Ge çalışmalarının sonucunda paslanmaz çelik ürünlerinin dünya üzerindeki etkisinin hızla artacağını tespit etmiş olup paslanmaz çelik üretimine girmiş bulunmaktadır.

Türkiye'de ve yurtdışında çok sayıda fuara katılan PROPLAS, Avrupa ülkeleri başta olmak üzere Kuzey Afrika, Rusya, Türki Cumhuriyetleri gibi 25 ülkeye ihracat yapmaktadır.

PROPLAS çalışmalarına gelişime açık olmayı, kaliteden ödün vermemeyi, dürüst ve güven veren ticaret anlayışını ilke edinmiştir.

Bu nedenle piyasada tercih edilen tek markadır.  
Profesyonelliğin ve güvenin adresi "PROPLAS" tır.

## ABOUT US

Our founder, laid the base of your company by establishing Eral Makine in 1993 on a 150 m2 area at İstanbul Bayrampaşa. He entered to plastics sector after establishing PROPLAS Profile Systems as well as plastic extruder machinery production by using knowledge and abilities through the motto "Quality, innovation and trust".

It reached higher amounts, higher quality, more product types in annual production by giving importance to R&D studies through working with its rapid, systematic and experienced staff.

PROPLAS continues improving its production through moulding department, pvc and metal coating department, injection press department, renewed superior technologic extruder machines in its own 4000 m2 indoor area located at Güngören.

PROPLAS participated to many fairs in Turkey and abroad, and performs exports particularly to Europe and 25 countries at Northem Africa, Russia and Turkish Republics.

PROPLAS accepted a trusted trading motto without sacrificing from quality and being open for improvement.

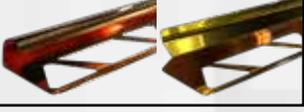

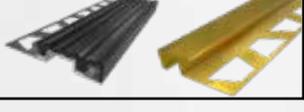

For this reason, it is the sole preferred brand in the market.  
PROPLAS is the adress of professionalism and turst.
